# Germaine de Capuccini Facial Therapies

## Bespoke spa facial

1 Hour

Perfectly tailored to you and your skin's needs for visible results. The customised products will cleanse and renew, whilst the facial massage will leave your complexion glowing.

£80

## So Delicate

1 Hour

This hypo-allergenic range contains a blend of natural plant extracts and our exclusive Defensive Complex to soothe sensitive skin. By reinforcing the protective barrier, So Delicate increases the skin's tolerance so that over time it becomes less reactive.

£80

## Royal Elixir

1 Hour

Packed with antioxidants and essential nutrients, Royal Jelly is ideal for tired and stressed skin. Poria Cocos and Royal Jelly extract help the skin regain its natural immunity against daily aggressions for a radiant and healthy complexion.

£80

*All of our 1 hour facials include a highly relaxing facial massage and choice of a head, hand and arm or foot and lower leg massage when your facial mask is working its magic.*

## Advanced Facial Therapies.

### Intense Hydrate & plump facial

1 Hour 15 Minutes

Our hydrate and plump facial offers a non-invasive alternative to traditional aesthetic treatments. This facial is designed to deeply hydrate and plump the skin by utilising multiple molecular weights of Hyaluronic acid, ensuring hydration reaches even the deepest layers of the skin.

This facial is enhanced with a unique massage tool that cools the facial contours, actively plumps fine lines, reduces redness, and minimizes pore size, resulting in a more youthful appearance.

This facial includes a welcoming back massage

**£95**

### Vitamin C illuminating facial

1 Hour 15 Minutes

Our Radiance C treatment is an innovative facial to increase firmness and generate new collagen whilst reducing dark spots and pigmentation. Vitamin C is one of the best ingredients for maintaining skin health, as it combats oxidative stress and helps slow down the aging process. This facial incorporates a patented formula that increases the benefits of pure vitamin C by 6 times. To compliment the hands-on therapy a massage ball is utilised to lift facial muscles, release tension and increase blood flow for an increased glow.

This facial includes a welcoming back massage

**£95**

### Wrinkle-Less facial

1 Hour 15 Minutes

Exclusive technological innovation focused on combating all types of wrinkles, seeking to improve the elasticity and general appearance of the skin. The non-invasive rejuvenating solution that achieves visibly transformed skin in a very short time. With collagen and elastin boosters, a “botox like” action and immediate and prolonged plumping effect. An alternative to micro-injections

This facial includes a welcoming back massage

**£95**

## Micro Needling with Exosomes & Biomimetic peptides

1 Hour

By creating series of thousands of vertical microscopic channels into the dermis the micro-injector Lithium+ stimulates the natural production of new collagen elastic, reduces hyperpigmentation and enhances penetration of active ingredients. It is suitable for all skin types and can be used for face and body. This advanced facial is accompanied with cliniccare skin products that penetrate through top skin layers and reach the dermis level, helping to replenish natural nutrients, restore cell activity and promote skin health. The result is healthy, glowing, beautiful skin.

### Treats

- Pigmentation, melasma and age spots
- Aging and sagging skin • Lines & wrinkles
- Enlarged pores • Scars and stretch marks
- Pre and post cosmetic surgery
- Hair Restoration

£130

## Cancer Care

CC Spa Cancer Compassionate Care treatments offer therapeutic and holistic approaches tailored to alleviate symptoms, reduce stress and improve overall well-being of individuals undergoing cancer treatment, or those living with cancer.

We understand that your diagnosis may show different alternations in the skin for example itching, dryness, tightness and photosensitivity. These signs can be alleviated with the correct skincare.

From the moment the illness is diagnosed up to the moment the medical treatment begins it is recommended to get prior facial diagnosis. Oxygenated treatments prepare the skin to relieve the side effects associated with medical treatment.

Discover the luxurious world of oncology massage therapies and facial treatments carefully crafted for your overall well-being.

Look good, Feel good

Always consult with your practitioner prior to receiving any treatments
